October 2016; Conference call between PDCB and Air Force on their software designs. See attached Minutes of this conference call.

November 2016; Three emails were sent to DFAS requesting a meeting pertaining to any projected changes to the Air or Army Personnel and Pay system. DFAS replies in late November informing the Chairman that the NGB Liason has changed at DFAS and a Mr. Stewart is assuming those functions. The Chairman calls Mr. Stewart's office and Major Dennis Baltimore answers noting that Mr. Stewart is TDY. A dialog begins with Major Baltimore.

December 2016; President of NGEDA travels to DFAS and meets with Major Baltimore who happens to be an Indiana Guardsman too. See the President's report of his visit.

December 2016; NorthStar notifies the Chairman that the person processing the Air Force payroll deduction data has retired thus causing a slight delay in the files for December.
